[illegible]

A question or response I may keep thinking about:

02 Give the creation display a commentary

Genesis 1:1–2:3

Choose **one** of the three spaces. Compose a short commentary explaining one truth from Genesis 1:1–2:3 and one response that fits it. Give a verse or phrase as your reason. Leave the other spaces blank, or use them later to note a connection another group explains.

God calls His work good

The work is completed and blessed

You may write, sketch, point, speak or ask a partner to record your explanation. Check your reasons against the passage.
